SWITCHES, DIMMERS, & OUTLETS

Turn on ingenuity, convenience, and great looks with an array of awe-inspiring new solutions from adorne. Whether you choose to switch, tap, touch, or wave, adorne brightens your life with style.

The switch remade from scratch.

Elegance and clean lines? Of course. Unsightly screws? No thanks. Just a blend of beauty and brains with an array of combinations to fit any style or taste.

WALL PLATE: WENGE WOOD | SWITCH: WAVE

Good things come in twos, threes, and fours.

Multiply beauty and convenience by combining switches and dimmers from adorne. Fluid, intuitive functionality, paired with drop-dead gorgeous looks, puts a stylish finishing touch on any space.

WALL PLATE: OIL-RUBBED BRONZE | SWITCH: SOFTAP SWITCH + 2 SOFTAP DIMMERS

Plug in to your creative outlet.

Talk about flexibility. adorne's modular design makes it easy to configure the perfect combination of outlets, nightlights — even USB ports — as needed. Go ahead, plug and play!

TOUCHES OF BRILLIANCE.

Switches and dimmers are at the heart of the adorne collection. Each features clean design and an infinitely helpful locator light to find it in the dark. Whether you favor a simple touch (like on your smart phone), a satisfying click, or even the simple wave of a hand, adorne makes it a delight to hit the lights. **All products are available in white and magnesium colors.**

SWITCHES & DIMMERS

Paddle™ Switch: A wide, graceful curve works with a simple up-and-down motion, allowing you to turn lights on and off with ease.

Whisper™ Switch: A smart design that features elegant lines and a quiet, fluid motion.

sofTap™ Switch: Designed with an innovative micro-movement that turns lights on and off with just a soft "tap" of the finger.

SensaSwitch™: Sensor turns lights on when you enter a room and off when you leave. (Also available in Manual-ON/Auto-OFF format.)

Touch™ Switch: A stunning translucent face works just like an iPod® — simply touch your finger on the circle to turn lights on and off.

Push™ Switch: A tactile, finger-sized impression lets you turn lights on and off with a simple push-button motion.

UNPLUG FROM ORDINARY.

Are you so accustomed to the average outlet that you've never even imagined greater possibilities? Fortunately, we've spent a lot of time reinventing the ordinary — from an outlet that hides until you need it, to convenient in-wall smart device connections, and much more. Plugging in has never been so stylishly convenient.

Sometimes the best ideas just pop out.

A gentle push reveals the genius of the adorne Pop-Out™ Outlet — three places to plug in that elegantly hide away when not in use.

BRIGHT IDEAS AROUND.

You've never seen a nightlight that hides itself so cleverly, yet responds so elegantly to a simple touch. Or one that can be lifted from its home on your wall to double as a carry-around flashlight. When it comes to brilliant solutions, adorne really shines.

A FRESH IDEA FOR COOKING LIGHT.

UNDER-CABINET LIGHTING

Have power galore without a single outlet in plain sight. Plug in lights to make the dark places shine. Relocate outlets, lights, speakers, and smart phone docks to build the ultimate in powered kitchens.

A bright spot in your life.

adorne brings illumination to your kitchen with easily swappable outlets, lighting options, USB ports, music, and, most of all, flexibility.

A RECIPE FOR KITCHEN MAGIC.

The adorne Under-Cabinet Lighting System brings an array of modular components that swap out so easily, you'll want to reconfigure whenever the mood strikes. From speakers and smart phone docks to lighting and outlets, there's a world of possibilities to choose from with these high-tech, highly convenient building blocks.

UNDER-CABINET LIGHTING

● **Puck Lights:** For a spectacular spotlighted look.

● **Linear Lights:** For a consistent, continuous light.

● **Tablet Cradle**
Puts apps and the internet where you need them.

● **Mobile Cradle**
Because recharging doesn't have to look sloppy.

● **USB Module**
A handy outlet to power today's devices.

● **Outlet Module**
Convenient power snaps in where you need it.

● **Digital Music Kit**
Plug and play your favorites—wirelessly.

● **Modular Tracks:** The nerve center that tucks away out of sight. Available in three sizes.

YOU GET THE
GROCERIES.
LET YOUR HOUSE
GET THE LIGHTS.

WIRELESS SYSTEMS FOR THE HOME

Have your house welcome you home with a lights-on preset. See wireless video of who's at your door. Use a smart phone app to fill your house with music. Life is richer (and sweeter) with adorne wireless solutions.

Dial up the fun.

Tell your house what to play and where to play it via smart phone. Wi-Fi connectivity lets you put the speakers where you like and change things up as needed. Cool.

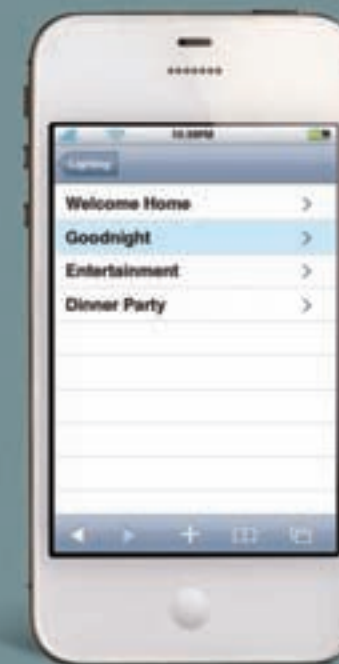

WI-FI MUSIC SYSTEM

The peephole. Evolved.

How great would it be to see who's at the front door from your kitchen? Or laundry room? Or upstairs bedroom? Add up to three receiving units to be your eyes and ears throughout the home and outside.

A smarter way to say goodnight.

Preset your lights to welcome you home or shut down at night. Wireless lighting controls from adorne put convenience at your fingertips.

LIVE MORE. WIRE LESS.

Enjoy the living space of the future without rewiring the entire house. Ingenious solutions from adorne let you control devices via wireless remote. adorne also lets devices wirelessly "talk" to each other, helping you create preestablished lighting "scenes" that put your home in the very best light.

WI-FI MUSIC SYSTEM

Music on your wavelength.
Smart phones revolutionized the way we listen to music, and adorne brings that convenience home. Rich, resonant speakers connect wirelessly to your home network, turning an iPhone® or tablet into your personal jukebox. Innovation rocks!

iPhone® is a registered trademark of Apple Computer, Inc.

VIDEO INTERCOM

Face-to-face communication.
This video monitor not only shows who's at the door, it connects to other stations in your house as a true audio intercom.

Seeing eye.
It's a doorbell. It's a camera. It's your new video door station — a wonderful way to see visitors from the convenient spot of your choosing.

WIRELESS LIGHTING CONTROL

Let there be lights!
Creating the perfect mood for dinner guests? Turn on your favorite lights and save the settings. Want specific lights to turn on when you come home? Create your own "Welcome Home" light setting — adorne's wireless system gives you complete flexibility.

Convenience in hand.
Define up to four unique presets and control your entire home lighting environment with the touch of adorne's handy wireless remote. Or, install our free app, and your iPhone® becomes a remote, allowing you to access your presets — even while away.
